

NAPARIMA COLLEGE

GRADUATION & PRIZE GIVING FUNCTION 2022

Celebrating 128 Years

“Illuminating the Pathway to Success”

Thursday 27th October, 2022
at 9:00 a.m.

at
Naparima College Auditorium

MISSION STATEMENT

Recognizing the Values of the founding fathers, Naparima College seeks to provide holistic education in a spiritually enriched and caring environment, which fosters in students a love of life-long learning that promotes traditions of excellence and opportunities for self-actualization and social responsibility.

College Hymn

Our Alma Mater dear,
The school we all revere,
Make us worthy;
Help us ever to be
All that we ought to be,
And always proud of thee
Naparima.

To thee the best we owe
With which we may endow,
Our island home;
No matter where we roam,
If near or far from home,
Let us be always one,
Naparima.

PROGRAMME

Procession of Graduates

National Anthem

Opening Prayer

The Rt. Rev. Joy Evelyn Abdul-Mohan
Moderator of Synod, PCTT

Principal's Report

Mr. Roger Ali
(Principal Ag)

The Valedictorian

Mr. Shayne Ramdath

Guest Speaker

Mr. David Sammy (Principal Ret.)

Closing Remarks

Mr. Rodney Pardasie
Vice Principal (Ag)

College Hymn

Closing Prayer

The Rt. Rev. Joy Evelyn Abdul-Mohan
Moderator of Synod, PCTT

GRADUATES

CSEC 2020: *(Prizes awarded for five (5) Grade 1's and over)*

Andre Achee	- Additional Mathematics, Biology, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts, Principles of Business
Jeremy Agnoo	- Chemistry, English A, Mathematics, Physics, Principles of Accounts, Principles of Business
David Bickram	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Spanish
Vickram Bisram	- Additional Mathematics, English A, English B, Mathematics, Physics, Principles of Business
Calliste Charles	- Additional Mathematics, Biology, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Lemuel Gowrie	- English A, Mathematics, Principles of Business
Bradley Gunness	- English A, English B, Information Technology, Mathematics, Physics
Josh Jagmohan	- Additional Mathematics, Chemistry, English A, English B, Mathematics, Physics, Principles of Accounts, Spanish
Rondell Jaimungal	- Additional Mathematics, English A, Information Technology, Mathematics, Physics
Varindra Mahabir	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics, Principles of Business, Spanish
Kaleel Maharaj	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics
Jaedon Maharaj-Ali	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Spanish
Joshua Mohammed	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Spanish
Josiah Mohammed	- Additional Mathematics, English A, English B, Human & Social Biology, Information Technology, Mathematics, Physics, Principles of Accounts, Principles of Business
Nicholas Mohammed	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics, Principles of Business, Spanish
Joshua Munagapatti	- Principles of Business
Jonathan Nanan	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics, Technical Drawing
Andre Nansingh	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics, Principles of Business
Narendra Persad	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics, Principles of Accounts, Spanish
Nirad Persad	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Spanish
Ajayesh Persadsingh	- English A , Human & Social Biology, Information Technology, Mathematics, Physics, Principles of Accounts, Principles of Business
Vjayesh Persadsingh	- English A, English B, Human & Social Biology, Information Technology, Mathematics, Physics, Principles of Accounts, Principles of Business
Shurland Ragoonanan	- English A, English B. Mathematics
Naasir Rajack	- Additional Mathematics, Biology, Chemistry, English A, Mathematics. Physics, Spanish
Riyad Rajan	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Spanish
Che Rambachan	- Additional Mathematics, Chemistry, English A, English B, Human & Social Biology, Mathematics, Physics, Principles of Accounts, Principles of Business
Rajiv Ramcharan	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Kaveer Ramkissoon	- Additional Mathematics, Biology, English A, English B, Mathematics, Physics, Principles of Accounts, Spanish
Alan-Safar Ramoutar	- English A, English B, Mathematics, Principles of Accounts, Principles of Business
Jayden Ramoutar	- English A, English B, Mathematics, Principles of Accounts, Principles of Business
John-Isaac Rampersad	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics
Viren Rampersad	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics
Meka Ramsahai	- Additional Mathematics, English A, Human and Social Biology, Mathematics, Physics, Principles of Accounts, Principles of Business,
Ethan Ramsajan	- English A, English B, Mathematics,
Shastri Seepersad	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Amir Seeth	- English A, English B, Human & Social Biology, Information Technology, Mathematics

GRADUATES

CSEC 2020: *(Prizes awarded for five (5) Grade 1's and over)*

Nuri Abid	-	Additional Mathematics, Chemistry, English A, English B, Information Technology, Mathematics, Physics
Tarun Ablack	-	English A, Information Technology, Mathematics
Aaron Ali	-	Additional Mathematics, Chemistry, English A, English B, Information Technology, Mathematics, Physics
Jehan Ali	-	Additional Mathematics, Biology, English A, English B, Mathematics, Physics, Principles of Accounts
John Allan	-	Additional Mathematics, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts, Principles of Business
Cameron Balkissoon	-	Additional Mathematics, Biology, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Sean Balliram	-	Additional Mathematics, Chemistry, English A, Information Technology, Mathematics, Physics, Spanish
Sebastian Battoo	-	Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Business
Aaditya Bhola	-	Additional Mathematics, Chemistry, English A, Information Technology, Mathematics, Physics, Principles of Business
Reevan Ghany	-	Additional Mathematics, Chemistry, English A, Information Technology, Mathematics, Physics
Brad Harricharan	-	English A, Information Technology, Mathematics, Physics
Darion Jagessar	-	Additional Mathematics, Chemistry, English A, Information Technology, Mathematics, Physics, Spanish
Aaron Jones	-	English A, Information Technology, Mathematics
Keevan Maharaj	-	Additional Mathematics, English A, Mathematics, Physical Education, Physics, Spanish
Stefan Mohammed	-	
Adesh Nanan	-	Additional Mathematics, Biology, Chemistry, English A, English B, Geography, Information Technology, Mathematics, Physics, Technical Drawing
Nicholas Naraynsingh	-	Additional Mathematics, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Timothy Narine	-	Additional Mathematics, Chemistry, English A, Information Technology, Mathematics, Physics
Aidan Persad	-	Additional Mathematics, Chemistry, English A, Information Technology, Mathematics, Physics
Liam Persad	-	English A, Information Technology, Mathematics, Physics, Principles of Business
Kendall Poochoon	-	Additional Mathematics, Information Technology, Mathematics, Physics
Nikhil Prabhakar	-	Additional Mathematics, Chemistry, English A, Geography, Information Technology, Mathematics, Physics
Marcus Ragoobar	-	Additional Mathematics, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Isa Ramdath	-	Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Technical Drawing
Shayne Ramdath	-	Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Jonathan Ramdeen	-	English A, Mathematics, Principles of Business
Liam Ramdin	-	Additional Mathematics, English A, English B, Mathematics, Physics
Bryan Ramkissoon	-	English A, English B, Information Technology, Mathematics
Tristan Ramkissoon	-	Chemistry, English A, Information Technology, Mathematics, Physics
Navindra Ramroop	-	English A, English B, Information Technology, Mathematics, Physics
Reece Roopnarine	-	Additional Mathematics, Biology, Chemistry, English A, Information Technology, Mathematics, Physics, Principles of Accounts
Demetri Seetaram	-	Additional Mathematics, Chemistry, English A, English B, Information Technology, Mathematics, Physics

GRADUATES

CSEC 2020: *(Prizes awarded for five (5) Grade 1's and over)*

Tyler Ali	- Additional Mathematics, Chemistry, English A, English B, Human & Social Biology, Mathematics, Physics, Principles of Accounts
Yunus Ali	- English A, English B, Human & Social Biology, Mathematics, Principles of Accounts, Principles of Business
Tyler Balraj	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Spanish
Kaelon Colthrust	- Additional Mathematics, Biology, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Ahmad Dabiedeen	- Additional Mathematics, Biology, Caribbean History, Chemistry, English A, Mathematics, Physics, Principles of Accounts
Richard Darius	- English A, English B, Information Technology, Mathematics, Physics, Spanish
Marcus Foster	- Mathematics, Principles of Accounts
Dharshan Gopie	- Additional Mathematics, Biology, Chemistry, English A, Information Technology, Mathematics, Physics, Spanish
Vedanand Hargobin	- Additional Mathematics, Biology, English A, English B, Information Technology, Mathematics, Principles of Accounts, Principles of Business
Jeremiah Harper	- Additional Mathematics, Human and Social Biology, Chemistry, English A, Information Technology, Mathematics, Physics, Principles of Accounts
Alex Jagmohan	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics, Principles of Accounts, Spanish
Christian James	- Additional Mathematics, Chemistry, English A, Information Technology, Mathematics, Physics, Principles of Accounts
Alex La Hee	- English A, Human & Social Biology, Information Technology, Mathematics, Principles of Accounts, Principles of Business
Daylan Maharaj	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts, Technical Drawing
Shahzad Mohammed	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts, Technical Drawing
Sanjiv Mohan	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Nicholas Mootoo	- English A, English B, Information Technology, Mathematics, Principles of Accounts, Principles of Business
Tyler Nagaur	- Additional Mathematics, Chemistry, English A, English B, Human & Social Biology, Mathematics, Principles of Business
Brandon Ram	- Mathematics
Justin Ramcharitar	- English A, English B, Human & Social Biology, Mathematics, Principles of Business
Travis Ramhit	- English A, Mathematics, Principles of Accounts, Principles of Business
Allin Ramjit	- Additional Mathematics, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Akash Ramlochan	- English A, Mathematics, Principles of Accounts, Principles of Business
Sean Ramlogan	- Biology, Chemistry, English A, English B, Geography, Mathematics, Physics, Principles of Business, Spanish
Aron Ramoutar	-
Dalyon Ramsaran	- Additional Mathematics, Biology, Chemistry, English A, English B, Mathematics, Physics, Principles of Accounts, Principles of Business, Technical Drawing
Zachary Ramsumair	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Spanish
Kyle Roopchand	- Physical Education, Principles of Accounts, Principles of Business
Braden Sankar	- English A, Principles of Business
Kaeshiva Seepersad	- Caribbean History, English A, Human & Social Biology, Mathematics, Principles of Accounts
Matthew Sonnilal	- English A, Information Technology, Mathematics
David St George	- English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts
Jeremy Weis	- Additional Mathematics, Biology, Chemistry, English A, English B, Information Technology, Mathematics, Physics, Principles of Accounts

GRADUATES

CSEC 2020: *(Prizes awarded for five (5) Grade 1's and over)*

Naeem Ali	- English A, English B, Human & Social Biology, Principles of Business

**GREETINGS FROM THE MODERATOR OF SYNOD,
THE PRESBYTERIAN CHURCH OF TRINIDAD AND TOBAGO**
The Rt. Rev. Joy Evelyn Abdul-Mohan

It is with profound admiration and humility that I share wholehearted greetings on behalf of the Synod of The Presbyterian Church of Trinidad and Tobago (PCTT) at this 2022 Graduation Ceremony of Naparima College.

Undoubtedly, this year's graduation would be an enriching and edifying experience as we continue to grapple with a Global Pandemic. It gives us the opportunity to look back in gratitude, gain inspiration and courage for the present and find guidance with vision for the future.

For more than 154 years, The PCTT has made an invaluable contribution to education. Among the varied institutions of the Canadian Mission in its educational work, the valuable contribution of Naparima College cannot be overemphasized. Education at Naparima College is seen as a human enterprise in which people attempt to do something in a purposeful, thoughtful and careful way, recognizing the good and worthwhile in life.

Thus, it is important to note that the PCTT and its educational institutions have always had a tradition of holistic education. Holistic education suggests transformation and affirms spirituality as being the core of life and hence central to values education. It involves educating the soul, seeking wholeness, and engaging the whole person. Today, holistic education is needed more than ever, as moral decay, ethical blight, violent and destructive behavior, crime and political corruption continue to play havoc in our society and in the world at large.

Naparima College has a great heritage and great stalwarts have left their imprints on this institution, so there must be gratitude and appreciation for the solid foundation, upon which Naparima is built, but there must also be preparedness to grow and to see new visions and dream new dreams. Chasing a vision or a dream requires effort, sacrifice and hard work.

Nonetheless, you the Graduating Class of 2022 - will also leave your imprints on the sands of time, as you move on to tertiary education or the world of work. Therefore, I urge you to keep before you the cherished ideals to which this institution is dedicated and strive to guard its honor and integrity, deeply appreciating your education and yet constructing your future with wisdom. Keep up your good work, for the sky is your limit. The journey of life brings both challenges and chances. May you carry your spirit to snatch the chances and beat the challenges.

Congratulations and Best Wishes to the Acting Principal, Acting Vice Principal, teachers, parents and students for your accomplishments and successes. I fervently pray that God will stimulate your concern not only for academic excellence, but moral and spiritual excellence.

May God bless us all!

GRADUATION SPEECH
Mrs. Jasmin Ramoutar,
Ministry of Education, School Supervisor III

Principal, Vice Principal, specially invited guests, members of staff, parents, guardians, and you our dear students. It is indeed a pleasure to speak to you this morning on behalf of the Victoria Education District and by extension the Ministry of Education on this happy and celebratory occasion of your graduation and Prize Giving Ceremony.

Indeed I say it is a celebration because this ceremony culminates all your hard work and sacrifice towards the achievement of your goals. You, my dear students, have been at this school, some of you for five and others for seven or even part thereof, and have made, I am sure unforgettable memories and cherished moments during your journey here. This noble institution will always be your school, your Alma Mater and without the guidance and support of the principal, your teachers and your schoolmates in your journey, you would not be the same as you are today.

I must say thanks to all the members of staff whose hard work, and dedication and commitment would have impacted on these, your students. Your work, as we all know, is not an easy one, for you are the second parents to these students whom you would have had to nurture, educate and inspire so that they could achieve their dreams. I want to express, on behalf of the ministry of Education, thanks to all of you and I urge you to continue to follow in your mission of giving quality education to all who pass through the walls of this school.

To the parents present here today, I know that today is indeed a proud moment for you and you have every reason to celebrate with your children. Your hard work, sacrifice and persistence to see your children reach their greatest potential could never go unnoticed. I urge you to continue to be that pillar of strength and support to them for they will always be your children and they will always need your support even when they are grown.

To you my dear students, I say congratulations on reaching this stair in your journey of life. You have arrived at this day with lots of hard work, been through so many tests, assignments, projects, and lots of late nights of study and you have done well to stay true to the course. I urge you to continue your journey with the same spirit of dedication and commitment to succeed at attaining your dreams. However, even if you falter, because we all do at some time in our lives, keep rising to the challenges that may present themselves and keep looking ahead. Thomas Eddison, one of the most prolific American inventors said, "I have not failed, I've just found 10,000 ways that won't work." Therefore, when things do not work out the way you want them to, just keep focused on your dreams and continue to work at removing the obstacles with honesty, positivity, truthfulness and hard work, qualities that are slowly being lost amongst all the negatives in our society.

I want to take this opportunity to wish you all the very best as you move on to the next phase of your lives- whether it is that you are pursuing CAPE or have entered into universities or even in the world of work- Congratulations to all of you. I urge you to continue to make your parents, your school and most importantly, yourselves, proud and worthy citizens of our country. Continue to fly the flag of your school, Naparima College, high.

Thank you.
Jasmin Ramkissoon-Ramoutar
Schools' Supervisor III

GRADUATION SPEECH

Joel Simmons

N.A.P.S. President

Dear Student,

The Naparima College Association of Past Students extends heartfelt congratulations to you all on reaching this monumental stage of your educational life. It was not easy. It wasn't meant to be, though. You did the impossible, ensuring your all-round education through a pandemic, and excelling when the odds seemed to be stacked against you. However, you used our innovation and the resources at our disposal to show that we can rise regardless. This journey tested your mettle to the core, and you all came out victorious. That's the difference between boys and men. This is what makes you a true Napsman.

We ask that you take your newfound knowledge and understanding and apply it to the next phase in your life, whether you are continuing your education in Form 6, university, or even entering the working environment. Education is not only about what is learnt in the classroom, but the intangibles which you were exposed to on the Hill. From caring for your fellow brothers, the camaraderie and bonds made. Academia, co- and extra-curricular activities comprise your holistic education.

I, along with the Alumni, will continue to stress that Naparima College is the greatest school in Trinidad & Tobago. You are a product of that environment and a testament to its continued brilliance. The Association asks that as you progress along your journey of excellence, you don't forget the College. Don't forget to lend a helping hand to the same Institution which helped to mould you. Never forget to help the less fortunate within your home, your school, and your community. This is your time! Bask in your excellence but keep your focus on your next set of goals and objectives. The Association is proud of you and awaiting your future contributions to society and to Naparima College.

Best Regards,

.....

Mr. Joel Simmons

President (2021-2023)

Naparima College Association of Past Students

GRADUATION SPEECH

Ryaad Hosein

N.A.P.S.A.C. President

The Rt. Rev. Joy Abdul-Mohan, Moderator of the Presbyterian Church in Trinidad & Tobago, Mrs. Jasmin Ramoutar, School Supervisor III, Victoria Education District, Feature Speaker, Mr. David Sammy, Former Vice-Principal and Past Student of Naparima College, Mr. Roger Ali, Principal (A.g.), Mr. Rodney Pardasie, Vice Principal (A.g.), Specially invited guests, members of staff, parents and most importantly YOU, our graduates, WELCOME. It is indeed a great honour for me to bring greetings to you on behalf of the Parent Teacher Association, N.A.P.S.A.C. Today, I bring you a message on humility and gratitude.

First of all, the Association extends "Congratulations" to the graduating class of 2022 for achieving excellent results in their CSEC and CAPE 2022 Examinations. Time surely flies by so quickly, for it was only just seven (7) years ago, when you crossed the gates of this prestigious institution, very proud, eager and excited to begin your new journey, after passing for your 1 st choice school, Naparima College. And now look, here you are today, celebrating and reaping the fruits of your hard work. Some of you are very fortunate and may have already enrolled in University and begun your tertiary education, and some of you may have decided to take a little breather and are pondering your options for further studies.

To be a good leader, gratitude, humility and an awareness of how difficult life is for many people are important. Experience has taught me and research has shown that most decision reached by a group are better than those reached by one individual. Input from others helps. Listening to others helps. And brainstorming about options helps. Sometimes one person does have to make the decision, but a decision reached by a consensus often turns out to be the best.

Sometimes, with some success, it gets very easy to forget where you came from and what life is like for most of the world. You've forgotten that many others worked just as you have and are just as smart and capable as you are, and you don't acknowledge that timing, luck or maybe a mentor someone else didn't have, might have been a big factor in your success. But most dangerous of all, is that you might begin to believe you deserve the good things that happened to you.

It takes committed people like each of you to lend a helping hand, to have an open ear, an understanding heart and some words of kindness and support to help change these situations. Being humble and showing gratitude will keep you grounded, and help you to be a good leader.

In this moment of pride and joy for you and in the presence of your beloved parents, I must say that your parents deserve all the praise for you here today, for never shirking their responsibilities and standing by your side through thick and thin. They were your main support from birth to standard 5, then from form 1 to form 5 and then to form 6. Graduates, have you ever wondered, where you would be without the love and support of your parents?? You are very fortunate and should never ever forget the many sacrifices they have made for you, and they will continue to do so, until you have completed your studies and have achieved success and your desired career. Graduates, always honor your parents and show your humility and gratitude to them by being honest, humble, charitable respectful and kind to all things great and small. Never ever forget the many sacrifices made by them for you to succeed in life, and remember there will come a time, later on in life, when they will need your time, love and support.

So graduates, as you navigate your life, whatever you do from here on...let it be done with sincerity and humility. Make your Alma Mater proud, by giving back to them and continue to keep the Naparima College flag flying high wherever you go...As the College Hymn says..."No matter where we roam, If near or far from home, Let it always be one, Naparima."

PRESIDENT,
RYAAD HOSEIN,
NAPSAC 96'

GRADUATION SPEECH
Ashford Tamby - Chairman,
Presbyterian Secondary Schools' Board of Education

"Your life is your story, and the adventure ahead of you is the journey to fulfill your own purpose and potential." Kerry Washington

I greet you in the wonderful name of our Lord and Saviour Jesus Christ. On behalf of the Presbyterian Secondary Schools Board of Education (PSSBoE) I bring you greetings and best wishes on your graduation from Naparima College. For decades, Naparima College has consistently provided quality holistic education to the young active minds of children in Trinidad & Tobago. The Principal along with staff ensures that an ethos of moral and spiritual values is instilled into the minds and souls of the young men that walk its corridors.

Speaking on behalf of the PSSBoE, I am proud of the amazing commitment displayed by the Principal, teachers and students of Naparima College during the past few years when the world faced a pandemic. All of your learning has been out of the ordinary, never seen before in the history of education, however you have all managed to overcome these unprecedented times and I congratulate you students. Gentlemen, this is just the beginning, this new journey in life is a magnificent experience. Understanding that the door to your future has always been standing open, just waiting for you to come knocking and become the person you were meant to be. No one, not even your loved ones, can claim ownership of this journey. Your journey is the process of your identity gradually coming into focus, like a snapshot.

I would also like to express my gratitude to the parents, who have been very supportive of their children's education and cooperative with the teachers and administration for the previous two years. The staff at Naparima College have put in a lot of time and energy into teaching these young men to think critically and rationally so that they may go on to develop strong communities and compassionate societies.

The Presbyterian Secondary Schools Board of Education is so grateful for the rich history and legacy that the Presbyterian Church has embedded into the hearts and minds of these students and I pray that God will continue to shower His blessings upon the Naparima College family. Thank you and God bless you.

A handwritten signature in black ink, reading 'A Tamby' in a cursive, flowing script.

Ashford Tamby
Chairman, Presbyterian Secondary Schools Board of Education.
