

NAPARIMA COLLEGE

GRADUATION & PRIZE GIVING FUNCTION 2023

Celebrating 129 Years

"Illuminating the Pathway to Success"

Thursday 19th October, 2023
at 9:00 a.m.
at
Naparima College Auditorium

MISSION STATEMENT

Recognizing the Values of the founding fathers, Naparima College seeks to provide holistic education in a spiritually enriched and caring environment, which fosters in students a love of life-long learning that promotes traditions of excellence and opportunities for self-actualization and social responsibility.

College Hymn

Our Alma Mater dear,
The school we all revere,
Make us worthy;
Help us ever to be
All that we ought to be,
And always proud of thee
Naparima.

To thee the best we owe
With which we may endow,
Our island home;
No matter where we roam,
If near or far from home,
Let us be always one,
Naparima.

PROGRAMME

Procession of Graduates

National Anthem

Opening Prayer
The Rt. Rev. Daniel Chance
Moderator of Synod, PCTT

Principal's Report
Mr. Roger Ali
(Principal Ag)

Greetings
Mr. Ashford Tamby
Chairman (PSSBOE)

**Greetings from
Joel Simmons
N.A.P.S. President**

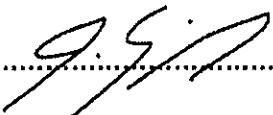

Dear Student,

The Naparima College Association of Past Students extends heartfelt congratulations to you all on reaching this monumental stage of your educational life. It was not easy. It wasn't meant to be, though. You did the impossible, ensuring your all-round education through a pandemic, and excelling when the odds seemed to be stacked against you. However, you used our innovation and the resources at our disposal to show that we can rise regardless. This journey tested your mettle to the core, and you all came out victorious. That's the difference between boys and men. This is what makes you a true Napsman.

We ask that you take your newfound knowledge and understanding and apply it to the next phase in your life, whether you are continuing your education in Form 6, university, or even entering the working environment. Education is not only about what is learnt in the classroom, but the intangibles which you were exposed to on the Hill. From caring for your fellow brothers, the camaraderie and bonds made. Academia, co- and extra-curricular activities comprise your holistic education.

I, along with the Alumni, will continue to stress that Naparima College is the greatest school in Trinidad & Tobago. You are a product of that environment and a testament to its continued brilliance. The Association asks that as you progress along your journey of excellence, you don't forget the College. Don't forget to lend a helping hand to the same Institution which helped to mould you. Never forget to help the less fortunate within your home, your school, and your community. This is your time! Bask in your excellence but keep your focus on your next set of goals and objectives. The Association is proud of you and awaiting your future contributions to society and to Naparima College.

Best Regards,

.....

Mr. Joel Simmons

President (2023-2025)

Naparima College Association of Past Students

**GREETINGS FROM THE MODERATOR OF SYNOD,
THE PRESBYTERIAN CHURCH OF TRINIDAD AND TOBAGO**

The Rt. Rev. Daniel Chance

The educational journey which you embarked upon many years ago has assisted you in establishing a firm and solid foundation for yourselves. No doubt, each of you, has recognized visible signs of personal growth and development as you have grown from boys into mature young men. However, it must be noted that knowledge will only achieve its God-given purpose and reach its full potential when that knowledge is applied. Applied knowledge puts into action that which has been learnt and it makes real and tangible the various theories which have been received, internalized, understood and practiced.

This noble institution of Naparima College, has prepared and empowered many young men, who now occupy the corridors of power as leaders in various spheres of life. No doubt you will all agree that this will continue with you, the Graduates of 2023, The Presbyterian Church along with the school community, envisions a society which is influenced by God-Fearing men and women, where love, kindness, patience and humility are the watchwords for life. Thus, the reason why there are denominational schools, where you all have been exposed to worship, the singing of religious songs, where the Word of God is both read and proclaimed and lives transformed.

You all are recipients of the unconditional love of parents and teachers. The challenge is now yours, to respond with gratitude to all that which you have received and continue to receive as persons created in the image and likeness of God. For those who will be moving on to further their studies at CAPE or tertiary level education, may the motto of the College, " From Possibility to Actuality," forever be etched with the walls of your heart and memory. God's blessings be upon you, as you move forward into your tomorrow. As you have been blessed by God, go out into the world and be a blessing to others.

Greetings from the President of NAPSAC

Mr. Eddison Dean,

Ladies and gentlemen, esteemed faculty, proud parents and above all, our brilliant graduates of the CSEC and CAPE examinations. It is with immense pride that I stand before you today, representing the Naparima Association of Parent School and Community (NAPSAC). This momentous occasion bears testament to the resilience, hardwork and excellence that is synonymous with Naparima College and its bright young minds.

Graduates, today is not just a celebration of academic success, but also of your journey to this point. It is recognition of every late-night study session, every obstacle overcome and every moment of doubt that you bravely pushed past. The exams, albeit challenging, were just the tip of the iceberg. Behind each certificate and each grade is a story of determination, of friendships, of mentors and of a community that has supported you throughout.

This community, embodied by NAPSAC, understands deeply the importance of collaboration between parents, educators and the broader community. We have always believed that education is a shared responsibility, a dance between home and school, where each partner uplifts the other. Your success today is a glowing testament to that belief.

I want to specially thank the teachers and staff of Naparima College. Your commitment to our students is unparalleled, and your unwavering support and sacrifice have not gone unnoticed. You have played an irreplaceable role in your child's success.

To our graduates, while today is a culmination of your hard work, it is also the beginning of a new chapter. The world is an ever-evolving canvas of opportunities, challenges, and experiences. The knowledge and value instilled in you by Naparima College will be your guiding light. Whether you choose to pursue further education, venture into the workforce, or take some time to discover your path, always remember to carry the Naparima spirit with you. Embrace the values of integrity, respect and community. These are the foundations upon which our great institution was built and they will serve as your compass in the vast ocean of life. Remember, success is not just about accolades and achievements. It is about the difference you make in the lives of others, the impact you leave on the world, and the legacy you build for future generations. Naparima College has a long-standing tradition of producing leaders, innovators and change makers. As you step into the world, I urge you to uphold this legacy and to always strive for excellence, not just in your endeavors, but in your character.

In conclusion, on behalf of NAPSAC, I extend my warmest congratulations to each and every one of you. We are incredibly proud of your accomplishments and are excited to see where your journey takes you next. May you always soar high, stay grounded in your values and remember that you are, and always will be, a part of the Naparima family.

Thank you

**Greetings from
Mrs. Jasmin Ramoutar,
Ministry of Education, School Supervisor III**

Feature speaker, the Principal, Vice Principal, members of staff, specially invited guests, parents and ofcourse you, our very special guests today, the graduates of 2023, good morning.

It is indeed my pleasure to extend my warmest congratulations to every one of you on behalf of the Victoria Education District and by extention the Ministry of Education on this happy and celebratory occasion of your graduation.

You my dear students, have been at your school, some of you for five and others for seven or even part thereof, and have made, I am sure, unforgettable memories and cherished moments during your journey. Now, as you move on into the next phase of your educational journey, I encourage you to reflect on the knowledge and skills you have acquired during your time in school. These are not just the means towards a career; they are the tools that will equip you for life as you continue to learn, grow and adapt for an ever changing and challenging world. Embrace the future that is yours to create with confidence, enthusiasm and a determination to succeed despite the challenges for there will be pitfalls along the way but with hard work and dedication to your goals, I am certain you will succeed.

I urge you however, to remember the values and principles instilled in you during your time here and let them guide you in makeing ethical decisions and becoming responsible global citizens. Our society today needs people who are kind and caring, persons who are guided by honesty and integrity and can make a positive difference in the lives of others.

While you celebrate your achievements today, also take a moment to express gratitude to your principal, vice-principal, teachers, mentors, parents, guardians, friends, and all those who have supported you throughout this jouney. Their guidance and encouragement have played a crucial role in shaping your success and without their support you would not be the person you are today.

Once again, congratulations on your graduation. As you embark on this new phase in your lives, always keep god by your side and walk with the confidence that you have the spark within you to make a positive and lasting impact on the world.

Thank You and do enjoy your graduation.

Thank You

*Naparima College would like to
thank all our donors.*

*Your generosity was greatly
appreciated and ensured the success of
our event.*
